- [Coding Choice Board](#)

Coming Soon

GOOGLE MEET RECORDING WITH MS. LUSSIER (MAY 18TH, 2020)

WEEKLY GOOGLE MEET - MONDAY AT 9AM

**GOOGLE  
MEET**

# MATH

We are starting to learn about time. Today your assignment is on Google Classroom. I have also attached a blank clock if you wish to print it and make your own at home.

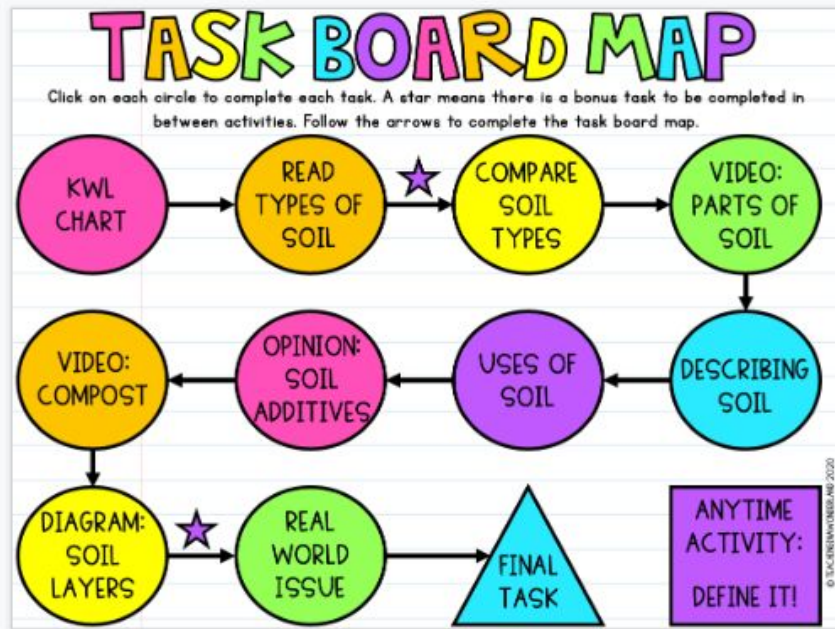

[Blank Clock](#)

# SCIENCE

Each of you have a Soil assignment in Google Classroom. This will probably take about 3 days to complete. Take your time and pace yourself as this is your major task this week.

# MATH

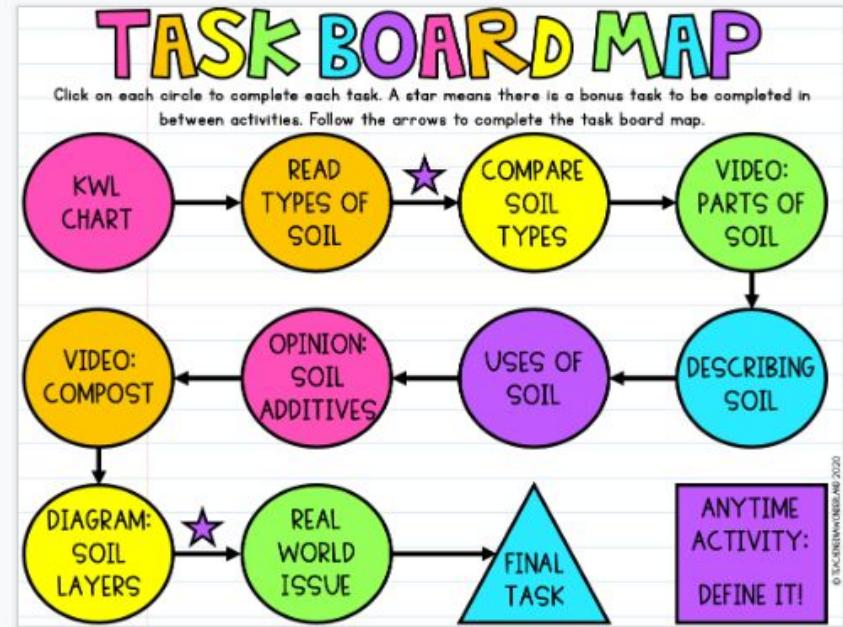

Head over to Google Classroom to learn about telling time to the nearest 15 minutes.

# SCIENCE

Continue to work on your Science Task Board.

# OFFICE HOURS WEDNESDAY 12:00-12:30PM

If you have any questions you would like to ask me about any of the work you are doing this week I will be available today from 12:00-12:30pm on Google Meet. Just click the Meet link in our Google Classroom during this time and I will be happy to help.

## ONLINE HELP

# WEEK 8 BOOK REPORTS

I have put you into partners for week 8 to work on a book report. You and your partner will need to read the same fiction book from Epic. Please pick a book that is suitable for your reading levels. Once you decide which book you would like to read please record the title on this [Google Doc](#). Please read the book by next Tuesday (May 26th).

Epic Class Code -bqv5484

# MYSTERY DOUG

Today Mystery Doug will be live at 1pm. To watch click [here](#).

# MATH

Head over to Google Classroom to learn about telling time to the nearest 15 minutes.

What's the time?

5 : 05

The hour hand is between 5 and 6.

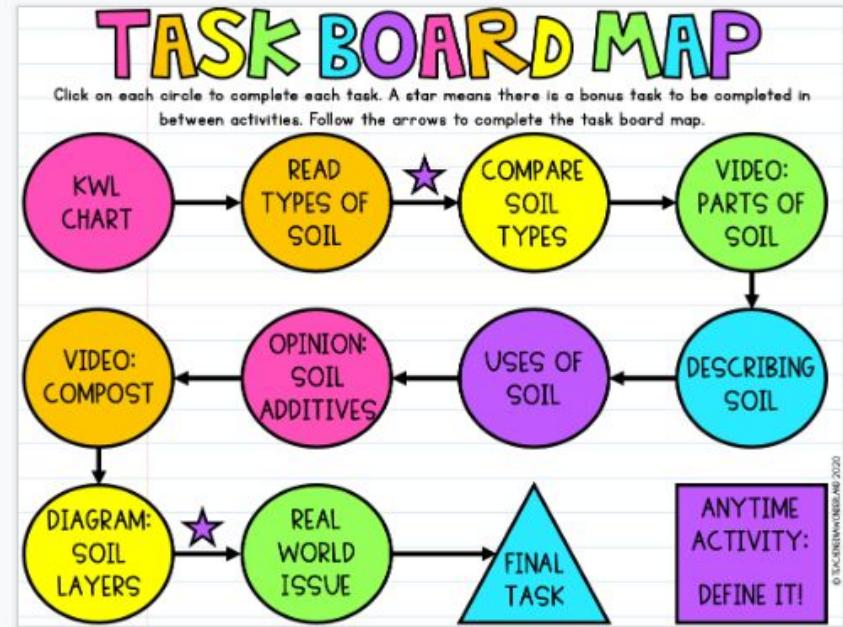

The minute hand is on 1... and  $1 \times 5 = 5$ .

# SCIENCE

Continue to work on your Science Task Board.

# TYPING.COM

This week complete the review task.

**Please do not complete the next activity.** If you are all caught up you can play a couple of the fun games to help with your typing skills.

To login click “Log in with Google”. You will need your tdsb email.

FRIDAY

# GOOGLE MEET - FRIDAY AT 12PM

Today I will show you a new tool you are going to use next week for one of your assignments. Please join me and learn about Adobe Spark.

# FLIPGRID

Collect one soil sample from outside and describe it by size, texture, and color. A cup of soil is enough to look at. Please put your soil sample on a piece of paper or plastic bag so you don't make a mess in your house. Did you find anything interesting in your soil? Maybe a worm?

Make sure you return the soil back outside when you are done with your Flipgrid.

# MAY MAKER MAT

Due by the end of the month.

May

Name: \_\_\_\_\_

## MAKER MAT

Make a raft that floats.

Make a bug catcher.

Draw a blueprint for a zoo.

Make a map of an amusement park.

FREE CHOICE CREATION

Make a memory book about the school year.

Make a tent.

Make a summer "bucket list."

Make a treehouse.

# HIDDEN IMAGE

Can you find the hidden car?  
Look closely!

# WEEKLY MATH PROBLEM

On the days she goes to work, Amy has a morning routine. The table below shows each activity she does and the time it takes to complete.

Activity	Time to Complete
Shower	15 minutes
Get dressed	10 minutes
Make and eat breakfast	20 minutes
Make lunch	15 minutes
Brush teeth and hair	5 minutes
Walk to work	45 minutes

Amy needs to be at work by 8:30 a.m. What is the latest time she could wake up in the morning, complete all of the activities in her routine, and get to work on time?

Justify your answer.

\* Complete on the Google Doc in Google Classroom.

# MONTHLY WRITING PROMPTS

Take a look at some writing prompts for the month of May. If you choose to do any you can attach them to the week 5 assignment slides in Google Classroom.

# May

My Goal for the Month of May: \_\_\_\_\_

**5-IN-A-ROW-CHALLENGE:** Complete 5 writing activities in a row. They can be horizontal, vertical, or diagonal.

**SUPER WRITER CHALLENGE:** Go for a blackout and complete ALL the writing activities for the month. If you do one a day you can get them all done!

W	R	I	T	E
Interview your teacher, write a biography of his/her life.	Create a fictional story about characters getting stuck on a deserted island.	Make a top ten list of the best books you read this last year. Explain what made each one so great.	Research your favorite author. Write a biography about that person.	Write a personal narrative about a time you learned an important lesson.
Write your mom an acrostic poem using the letters in the word MOTHER.	Create a lapbook sharing your favorite memories from this past school year.	Interview your mom, grandma, or special woman in your life. Write a biography about her life.	Should students be required to take standardized tests at the end of the year? Write an opinion piece stating why or why not.	Write a personal narrative about a time you stood up to a bully.
Write a personal narrative about a time your sports team lost an important game.	Write an expository explaining why your mom is the best mom.	Create a 'how to' guide explaining the steps it takes to plant a garden.	Write a thank you letter to the men and women that serve our country.	Create a comic about your mom.
Research your favorite superhero. Write a biography about that person.	What qualities make your teacher wonderful? Write to explain why.	Think about what career you want to have when you grow up. Write to explain why.	Write a personal narrative about the best field trip you went on this year.	Create a top ten list of your favorite memories from this past school year.
Write a poem honoring the brave people who serve in the US army.	Make a list of all the things you want to do over the summer.	Write a personal narrative about a time you were surprised.	Write a book review for a book you are reading this month.	Write a letter to a student in the grade below you. Give them advice on how to be successful in school next year.
